

PROTECT·A·BED®

Healthy Sleep Zone Solutions®

Cotton and Tencel®
Sleep Surface

upandunder® LINEN PROTECTOR

*A complete solution for Bed Wetters.
Protection for mattress and linen - above
and below!*

- No need to change the entire bed if an accident occurs
- Waterproof and breathable providing an hygienic, hypo allergenic environment
- Ideal for toilet training and for bed wetting or incontinence sufferers
- Easy to fit and use drawsheet style with tuck-in skirt and press stud top sheet

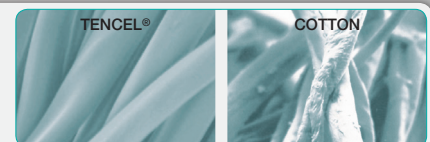

Featuring the naturally
hygienic sleep surface

TENCEL® - Ideal for sensitive skin.

The special properties of the TENCEL® fibre make this ideal for people with sensitive skin. Textiles are perceptibly gentle due to the smooth eucalyptus based fibre surface; they feel cooler, absorb more moisture and reduce bacterial growth.

TENCEL® is naturally pure and does not contain any pesticides or agricultural chemicals.

TENCEL® combines a smooth fibre surface with excellent moisture absorption, ideal for sensitive skin

upandunder®

LINEN PROTECTOR

**SUPER ABSORBENT,
STAINPROOFING LINEN PROTECTOR**

Cover is great protection for boys who tend to wet 'upwards'!

No need to change the entire bed if an accident occurs. UpandUnder® protects mattress, flat/fitted sheets and quilt.

Waterproof yet breathable Miracle Membrane® barrier protects your mattress and linen, keeping them hygienic, dry and stain free.

Underneath

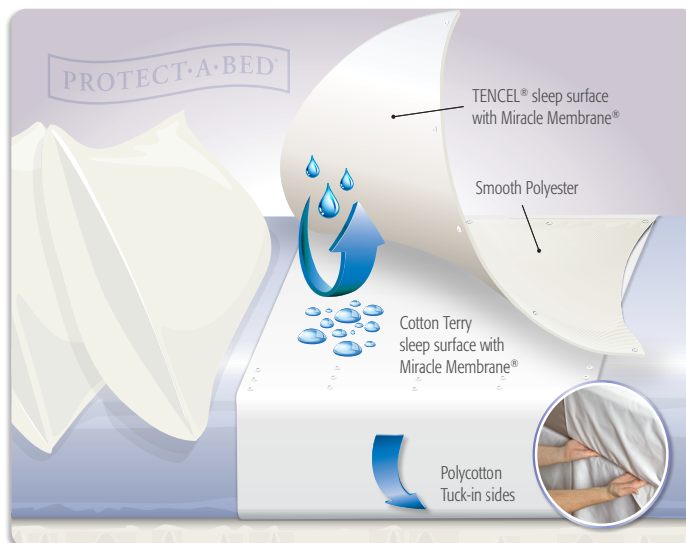

- Soft, silent and super absorbent (up to 1.2 litres) natural cotton terry sleep surface, ideal for toilet training or adult incontinence
- Large, draw sheet style tuck-in sides for extra stability
- Suitable for use with electric blankets

On Top

- Double-sided waterproof cover sheet – Smooth Polyester on one side and Natural Hygiene Eucalyptus Based Fibre TENCEL® for a silky soft luxurious feel
- Clinically tested protection for sensitive skin
- Natural bacteria growth reduction provides anti-allergy properties
- Adjustable press studs secure the cover sheet for all sizes

UpandUnder® convenience

- Easy to fit, remove, wash and re-use
- Hot machine wash and tumble dry warm
- For a complete solution use UpandUnder® together with Protect-A-Bed® mattress and pillow protectors

UpandUnder® encases the sleeper's mid section comfortably in order to protect the mattress, fitted sheets, top sheets, blankets or quilts.

To use, lay the protector over the bottom sheet and tuck the sides under the mattress.

Attach the cover sheet with the silky soft TENCEL® surface face down, attaching the far side to the bottom protector.

At bed time simply climb in and attach the entry side press studs to fit then pull over any other linen, quilt or blankets for a secure and comfy night's sleep!

Easy to remove

Adjustable press studs
